

Rosebud School of the Arts**Course:** Performance of a Role II**Show:** *Hurry Hard***Term:** Summer 2026**Instructor:** Craig Hall – Director**Student:** Hayley Rosenau**Grade:** Pass**Comments:**

It was an absolute pleasure to work with Hayley on the production of *Hurry Hard*. Hayley is a strong performer with outstanding comedic timing. She made the role her own, risking embarrassment and making strong choices throughout the process. Hayley was a generous and thoughtful member of the ensemble, supporting her fellow actors on and off stage. Even when facing personal challenges, Hayley showed up ready to work, always striving for excellence. She has a student's mind, always ready to learn and contribute; I encourage her to maintain this attitude in her professional career.
